DETAILS OF INCIDENT

DESCRIBE INCIDENT IN DETAIL (WHO, WHAT, WHERE, WHEN, HOW, WHY, AND ACTION TAKEN BY OFFICER)

February 12, 2003, at 0710 hours. Officer Orum (4-North control booth operator) observed inmates Johnson, Joyce and Cowart throwing water from their cells onto Inmate Langford. At that time Inmate Langford was out in the day room for his hour break. Inmate Langford then went upstairs to confront the inmates who were throwing water. Officer Orum dialed into the cellblock via the intercom and ordered Inmates Johnson, Joyce and Cowart to stop throwing water. Officer Orum then instructed Inmate Langford to come downstairs and lockdown, but to no avail. At 0711 hours Officer Orum phoned Booking and spoke with Sgt. Jackson concerning the aforementioned incident.

At 0713 hours Sergeants Sanderson, and Jackson, along with Officers Foster, Washington, and Roberson arrived and entered the vestibule. Sgt. Sanderson ordered Inmate Langford into the vestibule area. Inmate Langford complied with the order. After entering the vestibule area, Sgt. Jackson observed an abrasion on Inmate Langford's left hand. Sgt. Jackson questioned Inmate Langford as to how he received the injury. Inmate Langford stated that it happened when he was trying to wrestle a broom from Inmate Johnson. Sgt. Jackson, along with Officers Washington and Roberson, escorted Inmate Langford to the Medical Unit to be seen by the nurse. Nurse

(Continued from first page) INCIDENT REPORT# 02-12-03-001

Boddie cleansed the abrasion with peroxide, applied a generous amount of neosporin to the wound, and bandaged the affected area. When questioned by Sgt. Jackson as to the nature of the incident, Inmate Langford stated that "he was tired of the Niggers in that cell keeping him up all night".

Sgt. Sanderson remained on 4-North, entered 4-D cellblock, and began questioning Inmates Johnson, Joyce and Cowart concerning the incident. The aforementioned inmates stated to Sgt. Sanderson that Inmate Langford repeatedly called them "Niggers". Sgt. Sanderson phoned Booking and informed Lt. Matthews of the incident. Sgt. Sanderson further stated that it was in Inmate Langford's best interest that he be relocated from 4-D. Lt. Matthews concurred with the decision. At 0735 hours Sgt. Jackson escorted Inmate Langford back to his cell to gather his belongings for relocation. Inmate Langford was relocated to 1-C-4 without further incident. No other inmates or officers were injured as a result of this incident.

Officer Orum is requesting that Inmates Johnson, Joyce, Cowart and Langford go before the disciplinary hearing clerk on the following violations:

- B-8 Attempting to control other inmates, whether through coercion, force, or threat
- C-16 Acting in a way that disrupts or interferes with security or orderly running of the Detention Facility (i.e. failure to lock-down/return to bunk, not returning issued razors at change-out or at release)

The Defendant is before the Court and is represented. The Court on record fully explained all Constitutional rights. The Court is convinced that Defendant comes into court voluntarily and understands all his rights. Exhibit A is signed by Defendant and counsel and the record affirmatively shows colloquy between the Judge and Defendant and that Defendant fully and completely understands he is waiving his Constitutional rights and other effects of a guilty plea and the consequences thereof and the sentence that could be imposed. Upon the conclusion of said colloquy the Court accepts the guilty plea and finds Defendant guilty and enters a judgment of guilt to the charge of

VICTIM IMPACT STATEMENT

YOUR HONOR,

I will try to find words to describe how my son's murder has impacted my life. There are no adequate words to describe the pain, the anger, the despair that I have felt since JAMES was murdered. There is no way to put my shattered world back together since the biggest piece is missing. James, my precious son was my world.

James was A loving ,giving man with A heart as big as the world. I watch helplessly as all the members of our family struggle with the pain, anger and grief. James' murder took everything from me. It took my joy, my security, my rest, my future grandchildren, my peace, and my ability to enjoy anything, it also took my comfort in my old age.

It gave me sleepless nights, nightmares, night terrors, panic attacks and post traumatic stress disorder. It gave me depression and A struggle to find A reason to survive each day. It gave me tears and more tears, pain and more pain beyond my imagination. It covered my world in sadness and anger. It destroys my health A little at A time.

There is not one second that I don't long for him, he is my first thought when I awake, my final thought at night and all my thoughts throughout the day. There is not one day that I don't see his blood spilled or his cold dead body in that casket and live with the horror my son must have endured that night, the betrayal he must have felt when he realized that someone he knew could

take his life without any reason or provocation. The helplessness he must have felt at that moment haunts me everyday.

The emotional and psychological scars on our family's souls will never heal. James' four children: 6 year old labresha, 4 year old twins jamaine & james, And 3 year old tamaine, will grow up without feeling the love and guidance from the father that worshipped them. Even today they cannot come into my home Without crying, they can't stand not being able to see him here.

Judge, I now ask you to sentence the murderer of my son james, to the maximum penalty allowed. This murderer had been released from prison in November for A violent crime and he murdered my son 3 months later.

This murderer was convicted by A jury, another extreme emotional trauma the victim's family must suffer in silence throughout, therefore I beg of you not to give this murderer A chance to send another victim's family into this living nightmare of pain and agony.

THANK-YOU & GOD BLESS YOU

SALLIE FRIENDLY(mother of james)

1101 Fleming Rd. 42
Montgomery, AL.

To whom it may concern:

I am Sally Friendly, the mother of the deceased James Friendly. The Bible says thou shalt not kill. On behalf of my son I do not wish the death penalty for the person that took my son's life but I do not want him to get out. I want him to get life without parole because he should have face the truth that he had taken my son's life and gave up not running away. I am begging that you take this in consideration and keep this person behind bars forever.

Someone that loved
him more than his own life.

43

Dear Judge

I'm a family member of James Spensley and I'm writing you today to ask to you give this man who killed my love one the maximum sentence of life because James did not deserve to die the way he did and what he did over was foolishness and if the can kill someone over nonsense it could be over for the next person for less then that. James wasn't a Angel but compared to his killer he's a saint. James had a lot of good qualities. He had a great personality, he was a good father who took time out with his kids, he played on his daughter school fathers basketball team he loved his kids and they loved him. The oldest kid is having a real hard time right now

We can't mention his name
around her she's a little
girl without her father two
boys without their father and
a mother without her son.
The defendant mother can
visit her son in prison
but James family has to
go to a grave yard to see
him were we get no response
of how he's doing, do he need
anything. It's not fair that
he had to be taken at such
a young age that he could
not see his kids grow up
enjoy grandkids see his
daughter get married. If James
can't get to enjoy these things
then his killer should not
get to enjoy them either.
If this man is allowed to
get out to enjoy life someone
else will not get to enjoy
theirs. Judge please give
James his justice so he
can rest in peace now

His family love him and
always will all we can
do now is look at pictures
and talk about memories
of him and make sure his
kids know that their father
was. James is missed by
everyone who knew him.

The Family of James

The diagram illustrates the experimental setup for studying the effect of the initial concentration of the polymer solution on the morphology of the polymer blend. It shows a cross-section of a polymer blend film. The top layer is labeled 'Polymer solution' and the bottom layer is labeled 'Polymer blend'. The interface between them is labeled 'Interface'. The thickness of the polymer solution layer is indicated as 'h'. The thickness of the polymer blend layer is indicated as 'H'. The total thickness of the film is indicated as 'h+H'. The diagram also shows the 'Initial concentration of the polymer solution' and the 'Initial concentration of the polymer blend'.
